MESSAGE FROM THE DIRECTORS

Dear Sadh Sangat ji,

Waheguru Ji Ka Khalsa, Waheguru Ji ki Fateh!

In genuine humbleness, we, the team of UNITED SIKHS would like to share with you our success stories for the year 2010. Please accept this as a token of thankfulness because without the support of the Gurdwara sahib, the Sangat and above all Waheguru, we wouldn't be blessed with such an immensely fulfilling year.

*The biggest waves start with the smallest ripples
in the water. Be the one to drop the pebble that
starts the ripple which creates the wave!*

Without your generous contributions of time, money, and spirit, the work we do could not get done.

Each of your individual ripples in the water helped create a wave of change this year! But the work is never over, the battle never won, and we need your help to keep going!

We urge you to keep the current strong; don't let the tide change – donate today to help us continue our vital and important work throughout the world.

You can help those affected by crises around the world each year by making a financial gift to UNITED SIKHS. With your assistance we can provide immediate relief and support to those in need.
